Declarations and signature

The applicant has read the foregoing and understands that completion of this application does not bind the insurer or the broker to complete the insurance on the terms requested or at all. Terms and conditions of coverage are as set out in the policy without reference to the terms and conditions requested in the application herein or otherwise.

The applicant declares and warrants that they have made reasonable efforts to obtain sufficient information from each prospective insured under the policy to fully and accurately complete this application, that this application is complete and correct to the best of their knowledge and belief, and that all particulars which may have a bearing upon the applicant's acceptability as a professional liability insurance risk have been revealed. It is agreed that the answers to the questions herein shall be binding on all insureds under the policy. It is understood that this application shall form the basis of the contract should the insurer approve the coverage and should the applicant be satisfied with the insurer's quotation.

It is further agreed that if, in the time between submission of this application and the requested date for coverage to be effective, the applicant becomes aware of any information which would change the answers furnished in response to question 26 of this application, such information shall be revealed immediately in writing to the insurer.
