It happens. You're travelling out of province and you need to go to a hospital. And provincial health care plans provide limited coverage—even in Canada. *But*, if you've got MROO's Annual Travel Insurance, help is just a phone call away.

You can choose your coverage for unlimited trips of up to 30, 45, 60, 90, 120, 150 or 180 days each during the policy year. And every year you can reselect the number of days you need.

Travel Insurance is underwritten by Royal & Sun Alliance Insurance Company of Canada.

WORLDWIDE ASSISTANCE ON CALL

Once you enroll, you'll be given a medical assistance card with telephone numbers you can call in the event of a medical emergency.

PRE-EXISTING MEDICAL CONDITIONS

Have a pre-existing condition? Not a problem. Coverage is available as long as the condition has remained stable for the six months prior to your departure. For high blood pressure conditions only, the stability period is just three months.

We also offer Life Insurance* with guaranteed acceptance, no medical questions when you apply and a reduced premium for couples. After you've enrolled, premiums never go up and coverage can continue for life, as long as premiums are paid.

We Work for You

MROO was established in 1977 by a group of OMERS pensioners to advocate for fellow retirees on pension issues affecting them. In 1984, we recognized the need for health and dental care plans that would offer protection for retirees losing their benefits at or shortly after retirement.
