## Relax. You've earned it.

Take up a hobby. Take a cruise. Take a breather. Do what you want with your time. That's what retirement is supposed to be about.

With ENCON's Health and Dental Care Plans\*, you may receive many of the benefits you had under your group benefits plan, at a rate you can afford, including coverage for:

- Hospital stays
- Dental X-rays and minor fillings
- Major dental work
- Prescription drugs
- Medical supplies
- Paramedical services
- Vision care

You and your spouse can both sign up, and, after you've enrolled, coverage is for life, as long as premiums are paid.

## Just what the doctor ordered: service and flexibility from Alliance Pharmacy Group (APG), our preferred pharmacy.

Get APG to fill your prescriptions and you're covered 100% for eligible drugs and dispensing fees. You also get free overnight courier delivery and can choose MedPack packaging instead of bottles for your medications.

## Annual Travel Insurance Plan – Travel with Confidence

It happens. You're travelling out of province and you need to go to a hospital. And provincial health care plans provide limited coverage – even in Canada. *But*, if you've got ENCON's Annual Travel Insurance Plan, help is just a phone call away.

You can choose your coverage for unlimited trips of up to 30, 45, 60, 90, 120, 150 or 180 days each during the policy year. And every year you can reselect the number of days you need.

Travel Insurance is underwritten by Royal & Sun Alliance Insurance Company of Canada.

### WORLDWIDE ASSISTANCE ON CALL

Once you enroll, you'll be given a medical assistance card with telephone numbers you can call in the event of a medical emergency.

### PRE-EXISTING MEDICAL CONDITIONS

Have a pre-existing condition? Not a problem. Coverage is available as long as the condition has remained stable for the six months prior to your departure. For high blood pressure conditions only, the stability period is just three months.

## Wait, there's more...

Our Convalescent Care Plan\*\* will help with expenses while you're getting better after a serious illness or injury. Benefits include monthly cash, home nursing and home care, transportation and ambulance benefits, equipment rental and more!

We also offer a Life Insurance Plan\* with guaranteed acceptance, no medical questions when you apply and a reduced premium for couples. After you've enrolled, premiums never go up and coverage can continue for life, as long as premiums are paid.
