

## ARCHITECTS AND ENGINEERS IN PRIVATE PRACTICE

### PROTECT YOURSELF AND YOUR FIRM FROM RISKS WHEN DESIGNING AND IMPLEMENTING PROJECTS.

Victor's professional liability insurance program for architects and engineers in private practice protects firms offering professional services against claims or allegations of professional negligence on the part of the business owner or the firm's employees.

---

### WHY BUY THIS PRODUCT?

With over 50 years of experience, Victor has been a trusted name in professional liability and construction insurance. As a leading provider of professional liability insurance for architects and engineers, we bring a long-term commitment to this market and a high level of expertise in both underwriting and claims management.

Victor's professional liability insurance program is endorsed by Engineers Canada and the Association of Consulting Engineering Companies (ACEC) of Canada. We are proud of our long-term partnership with these organizations along with these value-added services included in a Victor professional liability policy:

- Risk Management Program with ability to earn premium credits where available:
  - eLearning
  - Webcasts and Webinars
  - Advisories and Bulletins
- Pre-claim Assistance
- Contract Review Services
- Claims Examples

---

### WHO WILL BENEFIT?

**Consulting and design firms in private practice** who offer professional services such as architecture, engineering, interior design, land surveying, landscape architecture, project and construction management, environmental and technical consulting.

A decorative graphic element in the bottom right corner consisting of a black triangle pointing upwards and to the left, with a thin orange line bordering its top and left edges.

---
