- Deductible co-insurance for risks that qualify

DATA BREACH SERVICES THROUGH CYBERCLAN (FORMERLY NETWORK TEST LABS)

- 24/7 Cyber Breach Response Hotline, provided by CyberClan, a Canadian cyber security expert
- Offered exclusively to CyberPro policyholders to assist with better managing a cyber and network security stance:
 - **Free one-hour Cyber Security Consultation** – Weaknesses in information security can jeopardise your mission, threaten your profitability, and invite fines and penalties from regulatory bodies.
 - **Free online Cyber Security Training** – Employees are the best line of defence in protecting the organisation from cyberthreats. Training needs to be comprehensive, memorable and adaptable to the ever-changing environment and limited time
 - **End Point Monitoring - Free 15-day trial** – Protect your company from devastating cyberattacks with industry leading end point protection
 - **One-time Phishing Simulation** – Find out what percentage of your users are prone to phishing with your free Phishing Security Test
 - **One-time Automated Vulnerability Assessment** – Test, investigate and analyse vulnerabilities on public internet-facing devices and web applications with a vulnerability assessment

HOW ARE CLAIMS HANDLED?

Claims are managed by Ascent Underwriting, an Optio Company, a coverholder for certain Lloyd's underwriters, A-rated insurers (A.M. Best et S&P).
